

UPDATE!

Happy Monday! Good News! The 1st game for the meme-coin has completed successful testing and will now be integrated with the meme-coin wallet for pre-sale launch. This means that when the pre-sale is launched players will be able to win coins and merchandise from the apparel store!

We're currently looking to add an experienced Reddit and Discord channel manager to take ownership of those newly created channels and bring those communities to life!

And the biggest news of all - the SiCi meme-coin is anticipated to be released in the next 30-45 days. Get ready to be part of something amazing!

Visit the website today and checkout the WheelofSiCi game today! Remember, when the pre-sale launches for the SiCi coin players will be able to win coins for their Solana wallet and merchandise from the Apparel store!
